

Today is a
difficult day.

humankind
Living better together

Be gentle
around me.

humankind
Living better together

Today is a
good day.

humankind
Living better together

What does “Today is a difficult day” mean?

It would be good if

I can't

I won't mind if

What does “Be gentle around me” mean?

It would be good if

I could.....

Maybe we could

What does “Today is a good day” mean?

It would be good if

I will enjoy.....

How about we.....
